

To Whom It May Concern,

I am happy to provide this letter of recommendation for Leonid and their team of staffing agents. We have worked with Leonid on multiple occasions for event support, including managing parking operations and staffing ID checkpoints at our public events.

Their team has consistently demonstrated professionalism, reliability, and excellent customer service. They arrive on time, are well-prepared, and handle high-pressure situations with patience and efficiency. Their staff interact with the public in a courteous, respectful manner, helping to create a welcoming and organized atmosphere for our guests.

Whether it's managing large crowds, ensuring smooth traffic flow, or assisting with safety protocols like ID checks, Leonid has been an invaluable partner in the success of our events. I would confidently recommend their services to any organization in need of dependable, professional event staffing.

If you have any questions, please feel free to contact me.
